Subject — The increase of the Process Serving Establishment attached to the Munsiffs' Courts at Alleppey Tellicherry & Calicut

Regd. Chief Court Registrar's letter No. 1467/35 dated 21st August 1901.

The Registrar states that the present establishment consists of 9 ammus and 32 peons and requests sanction to the entertainment of 4 ammus and 5 peons in addition. The statement submitted by him shows that the ~~average~~ no. of processes executed by each ammu for one year taking the average of the past 5 years, was 294, and the no executed by each peon 534. He further states that when

when the Nazarat System was introduced in 1897, the Establishment as a whole was fixed adopting 191 and 459 processes for each Amin and peon respectively as the basis.

2. Under para XXIII × of the process Rules, each Amin is required to serve not less than 100 and each peon 300 processes a year.

× vide serial no 18 in the file

3. Judging by the Standard of adopting 191 + 459 Amin processes for each peon & peon respectively as stated above, the present establishment of the Seringapatam Munsiff's Court requires to be strengthened by the addition of 4 Amins & 6 peons & the Registrar requests sanction to the same.

Sir,

Adverting to the Proceedings of Government No: 11590-91/J. 944 dated the 11th January 1902 sanctioning, as a tentative measure, the entertainment of 4 Amins and 6 Process Peons, of the 2nd Grade, for the Munsiffs' Court at Seringapatam for a period of one year and stating that a report may be sent up for placing the Establishment on a permanent footing if such a course is considered necessary at the end of this period, I am directed to state that the District Judge of Mysore recommends the Establishment

being made permanent from 24th February 1903, the period of one year from the date of their entertainment having expired on the 23rd Idem. The process work of the Immunity Court justifies the recommendation, but as the Hassan Central Lazaret is to be converted into a Detention Lazaret owing to the abolition of the Disinfecting Lazaret owing to the abolition of the Disinfecting Court there, it is thought that this number of amins and Peons might be shared from the Hassan Sub Court. The matter is under consideration, and will be disposed of before the end of the month - I am, therefore, to request the sanction of Government to the present temporary Establishment of the Seniyatan Immunity Court being retained till the 31st July 1903.
